Commissioner for Patents

Dear Sir:

With regard to the above-noted U.S. Patent Application, the outstanding Office Action was responded to on February 26, 2004 using the Certificate of Mailing procedure. The following documents were mailed that day to the U.S. Patent and Trademark Office (USPTO):

- (1) Amendment Transmittal Letter
- (2) Amendment and Reply to Office Action
- (3) Notice of Appeal
- (4) Self-addressed Return Postcard

These documents were received by the USPTO as evidenced by the date stamp on the return postcard. However, all of these documents had the wrong Serial Number on the document (i.e. "09/309,582") instead of the correct number provided above. The undersigned attorney regrets this error.

The undersigned attorney spoke to Examiner Mike Mendoza today handling this case who told me to fax the same documents to him along with same documents having the correct serial number thereon and a copy of the date-stamped return postcard.

Accordingly, please find all of those documents attached to this letter.

The undersigned attorney does not believe there should be any costs associated with the filing of these corrected papers, but if there is, please charge any additional fees to Deposit Account No. 23-1665.

If there are any questions, please contact the undersigned attorney at the numbers provided below.
